Pacific Life Bible College

## Message from the President

*PLBC students are different – in a good way! If you follow the news, you may have lost faith in this next generation by now. With their celebrity idols aimlessly drifting in and out of relationships, marriage, rehab, and even prison, it's no wonder people lack a real sense of purpose today. TGIF (Thank Goodness It's Friday) has become the motto for most workers, who endure their jobs during the week for a paycheck on Friday and the means to party away their weekends. There's got to be more to life.*

*When you visit our campus, you know there is! PLBC is a training camp for real leaders, young people who won't settle for an "occupation" when they can have a "vocation" in life. While some people are content to just exist, occupying and amusing themselves until they die, our students are gripped by a calling to change themselves and the world they live in.*

*A sense of destiny carries with it an understanding of destination and PLBC students know this world is not their home. They are developing an eternal perspective. They see their time on planet earth as a mission, to help as many people as possible exchange eternal death for eternal life. While you might think that such a serious purpose means frowns all around, it's just the opposite. You can't help but smile when you see young leaders discover how God can use their unique personalities and talents to make a difference in someone else's life. From the jam sessions of our music students to the antics of our youth pastors-in-training, laughter literally fills the halls of our dorm and new Learning Centre. TGIM (Thank God It's Monday) is our motto around here, and everywhere else our graduates go.*

*Yes we're different, and that's a good thing – especially when our mission is "training leaders to make a world of difference!"*

A handwritten signature in black ink that reads "Dennis L. Hixson". The signature is fluid and cursive.

*Dennis Hixson, PLBC President*

# Objectives, Affiliation, and Location

## **Objectives of PLBC**

At Pacific Life Bible College, our purpose is to equip Christian men and women “for the work of service, to the building up of the body of Christ” (Ephesians 4:11). We assist you and your local church in fulfilling the Great Commission by helping develop the character, knowledge, and skills you need to reach your world for Jesus.

## **Character Development**

Your character development is encouraged through courses that emphasize personal integrity, dynamic classroom and chapel experiences, an on-going mentoring program, and a community of supportive faculty, friends, and fellow students. We consider character qualities to be the main criteria for assessing leadership potential (1 Timothy 3).

## **Academic Excellence**

On the foundation of godly character, we add knowledge: systematic instruction from God’s Word, applied to a changing world. Leaders that make an eternal difference in their world have a thoroughly Christian worldview, understanding people and current events from the timeless perspective of Scripture.

## **Ministry Experience**

While we strive to instill in you a sense of academic excellence, we don’t end the process there. Hearers of the Word are to also be doers of the Word. We help you apply learning to practical service to others through connecting to local church leadership for guided hands-on practicums and internship programs. Our goal is to help you become a leader, firmly founded

on sound doctrine and reaching out in the effective power of the Spirit.

## **Affiliation**

We are a member school of the International Church of the Foursquare Gospel, “dedicated unto the cause of interdenominational and world-wide evangelism”. True to that heritage, the PLBC student body often includes more than 20 other denominations and non-denominational church groups. Our network extends to more than 200 Foursquare colleges and institutes around the world. Visit [www.foursquare.org](http://www.foursquare.org) for information on the International Foursquare Church.

## **Location**

Pacific Life Bible College’s 40-acre campus is centrally located in Surrey, BC about 30 minutes from Vancouver, BC, and 15 minutes from the Canada/US border. It offers a peaceful, suburban setting that’s conducive to study; yet Canada’s third largest city, with all its cultural advantages and opportunities for ministry, is readily accessible. PLBC’s campus includes dormitories, cafeteria, WiFi equipped facilities, library, gymnasium, recreation field, student lounges, coffee bar, and Chapel.

## Certificate of Biblical Studies (1 Year)

# LifeLaunch

32 CREDITS. This program can help you prepare to build your life on a solid biblical foundation. LifeLaunch is especially recommended if you plan to go on to university or other career preparation. What you learn in this year will also help you to help others, both in the church and in the marketplace. This certificate program comprises the first year of studies of the four-year Bachelor of Arts program, plus an optional short-term foreign mission trip.

### **Fall Semester**

BIB 101 Old Testament Survey (3)  
GEN 100 Personal Resource Mgmt. (1)  
GEN 101 English Composition (3)  
PTH 100A Life Experience (0)  
PTH 101 Spiritual Formation I (3)

*Plus one of the following:*

MIN 101 Life Launch (1)  
MIN 103 Tour Team (1)  
Practicum Elective (1)

## Associate of Theology (2 Years)

# Theology

64 CREDITS. This program will give you a well-rounded study of doctrine and practical application of Scripture for our generation. It is designed to take you beyond merely your own personal development to a place where you are prepared with the needed skills and confidence to begin ministering to others. The curriculum of this program comprises the first and second years of the four-year Bachelor of Arts program, and provides a sound foundation for your future studies.

### **General Studies (12)**

### **Open Electives (9)**

### **Internship/Practicum (1)**

### **Life Experience (0)**

PTH 100A-200B Life Experience x4

## Associate of Arts in Music Ministry (2 Years)

# Church Focus

66 CREDITS. This program is designed to help you grow in leadership skills, musicianship, creativity, humility, Biblical wisdom and depth in your relationship with God in order to be an effective leader and musician in the Body of Christ. The learning is practical, hands-on, and thorough. The instructors are professional pastors and musicians, who bring passion for God and life experience to mentoring students in integrating musical excellence with spiritual effectiveness. Whether you are looking to become a vocational church musician, or simply to develop into a more skilled lay leader, we are committed to training, equipping, and encouraging tomorrow's church music leaders.

## Associate of Arts in Music Ministry (2 Years)

# Community Focus

66 CREDITS. This program is designed to give you the knowledge, guidance, spiritual grounding, and 'hands-on' experience to grow your capacity to create music with passion, skill and integrity. For those who feel that God is calling you to serve Him and impact your world through music, the community focus will give you the fundamentals of theory, performance, songwriting, Bible, theology, and studio skills from experienced instructors who are also using these skills every day in their own work. We will stress the importance of surrounding yourself with a community of believers to support you in prayer, encouragement and accountability and to work with you to help you influence our world in large and small ways – to be an expression of God's heart to the world around you.

## Associate of Arts in Youth Ministry (2 Years)

# Youth Ministry

64 CREDITS. The Youth Ministry Institute (YMI) is a unique training program designed to equip youth workers for real youth ministry by integrating spiritual formation, experience in the field, and relevant studies. YMI is for anyone with a heart to love and lead youth to Christ. We've created convenient formats and class times to fit within an active schedule. You'll find a careful balance between academic, practical and character development. The comprehensive curriculum, experienced faculty, and intense hands-on internship component makes YMI a great journey choice for your calling.

## Diploma of Professional Counselling (1 Year)

# Professional Counselling

64 CREDITS. This one-year intensive program offers a Diploma of Professional Counselling (DPC), giving you an in-depth study of models and theories of counselling practice integrated with biblical principles for effective applications. This program will focus on how to apply practical counselling skills, how to be the most effective pastor or counsellor you can be, and how to provide helpful outreach to your church and community. This cutting edge style of learning integrates both academics and practical training in each of the 16 courses offered. The curriculum of this program is designed to allow for maximum learning through the experiential process while allowing the Spirit to guide you in ministering to others through counselling. You may choose to graduate with the one-year diploma or go on to complete an additional 64 credits toward a BA in Church Ministries with a Major in Counselling.

### **Fall Semester**

- DPC 101 Psychology of Human Behaviour (4)
- DPC 102 Models of Counselling (4)
- DPC 103 Basic Counselling Skills (4)
- DPC 104 Issues and Ethics in the Counselling Profession (4)
- DPC 105 Basic Intake and Assessment Practicum I (4)

### **Spring**

- DPC 201 Introduction to Christian Counselling (4)
- DPC 202 Abnormal Psychology (4)
- DPC 203 Cognitive Behavioural Therapy (4)
- DPC 204 Crisis Intervention Counselling (4)
- DPC 205 Counseling Skills Practicum II (4)

### **Summer**

- DPC 301 Marriage and Family Counselling (4)
- DPC 302 Substance Abuse Counselling (4)
- DPC 303 Abuse and Trauma (4)
- DPC 304 Sexual Addiction (4)
- DPC 305 Group Therapy Skills (4)
- DPC 306 Advanced Clinical Skills Practicum III (4)

### **Self Exploration**

- DPC 100 Self Exploration Group Therapy (0)
- DPC 200 Self Exploration Group Therapy (0)
- DPC 300 Self Exploration Group Therapy (0)

## Bachelor of Arts in Church Ministries (4 Years)

# Major in General Church Ministries

128 CREDITS. This program is designed to prepare students for their specific ministry interest and gifts. This program is the most flexible in that it makes room for the most electives compared to PLBC's other degree programs.

## Bachelor of Arts in Church Ministries (3 Years)

# Major in Professional Counselling

128 CREDITS. This three-year B.A. degree program combines intensive Professional Counselling training with a more complete understanding of the Bible and applied theology, along with a broader awareness of ministry within the local church. The Professional Counselling component gives you an in-depth study of models and theories of counselling practice integrated with biblical principles for effective applications, integrating both academics and practical training in each of the 16 courses (64 credits) offered. The remaining 64 credits cover a thorough background in Bible and theology, and expand your capacity for taking on teaching and leadership opportunities.

### **Diploma of Professional Counselling (64)**

## Bachelor of Arts in Church Ministries (4 Years)

# Major in Music: Church Focus

132 CREDITS. This program is designed to prepare students for their specific ministry interest and gifts. Expanding on the IMM two year program, this degree provides a well-rounded preparation to help you grow in leadership skills, musicianship, creativity, humility, Biblical wisdom and depth in your relationship with God in order to be an effective leader and musician in the Body of Christ. The learning is practical, hands-on, and thorough. The instructors are professional pastors and musicians, who bring passion for God and life experience to mentoring students in integrating musical excellence with spiritual effectiveness. Whether you are looking to become a vocational church musician, or simply to develop into a more skilled lay leader, we are committed to training, equipping, and encouraging tomorrow's church music leaders.

### General Studies (21)

## Bachelor of Arts in Church Ministries (4 Years)

# Major in Music: Community Focus

132 CREDITS. This program is designed to prepare students for their specific ministry interest and gifts. Expanding on the IMM two year program, this program provides a well-rounded preparation, giving you the knowledge, guidance, spiritual grounding, and 'hands-on' experience to grow your capacity to create music with passion, skill and integrity. The community focus will give you a Biblical foundation, the fundamentals of theory, performance, songwriting, and studio skills from experienced instructors who are also using these skills every day in their own work. We will stress the importance of surrounding yourself with a community of believers to support you in prayer, encouragement and accountability and to work with you to help you influence our world in large and small ways – to be an expression of God's heart to the world around you.

### General Studies (21)

GEN 100 Personal Resource Mgmt (1)  
GEN 101 English Composition (3)  
GEN 152 Aesthetics: Art and Christianity (2)

# Accreditation

Pacific Life Bible College is authorized by an Act of the B.C. Legislature to grant recognized theological degrees and is a member of the Canadian Higher Education Association. PLBC has standing articulation agreements in place and a proven track record for transferring students into other leading colleges, universities, and seminaries across North America.

Pacific Life Bible College values academic excellence and makes every effort to ensure that each course is of the highest standard. PLBC also holds character development and practical experience as equally important aspects of ministry training.

## **What is ABHE Accreditation?**

ABHE (Association for Biblical Higher Education) ensures that each of its member institutions maintain a defined standard of education (i.e. faculty credentials, library resources, teacher-to-student ratio, administrative competency and accountability, etc.). ABHE accreditation does not, however, guarantee that a student can transfer to and from any institution (although it does help) and receive full transfer credit. For more information on ABHE visit their website at <http://abhe.gospelcom.net>.

While PLBC agrees with and meets most of the standards set out in the ABHE accreditation process, we have chosen not to pursue it at this time for the following values-based reasons:

## **We Want Our Graduates to Finish Debt-free and Ministry Ready!**

The cost associated with accreditation (i.e. hiring full-time faculty instead of part-time

faculty) would drive up tuition rates and squeeze out a large group of called and gifted young people who can't afford to attend an accredited Bible College. PLBC's tuition is very affordable, especially considering the size and location of our campus. This means that our graduates are able to finish debt-free and ministry ready!

## **Our Programs Are Progressive**

ABHE's more traditional standards and teaching methodologies are not adaptable at this time to allow cooperative programs with nontraditional and non-accredited institutions. Also, our specialty tracks offer more ministry-specific courses than accredited programs requiring a higher percentage of general studies. These programs produce proven leaders and are the extension of core values of PLBC.

## **Our Students Continue on to Seminary with Great Success**

Our graduates have transferred into local and North American seminaries into their masters programs and, for the most part, exceeded their standards of performance.

## **Our Faculty are Living What They are Teaching**

Our faculty do not always fit the academic mold (i.e. they do not all hold doctorate or masters degrees), but they are excellent practitioners in their field and bring their practical experience into the classroom. The majority of our faculty are in the trenches every day of the week and take time off once a week to pass on what they know and are experiencing to their class.

What PLBC is doing seems to be working:

90% of our four-year graduates are involved in church leadership and/or graduate studies.

The staff and faculty will continue to improve the academic quality of PLBC's programming, instruction, and resources according to ABHE standards when they are complementary to our mission of training leaders. We will continue to evaluate the benefits of ABHE accreditation with our students in mind and when its value is worth the increased costs we may reconsider pursuing application at that time.

# Statement of Faith

We know we cannot limit God to mere articles of faith, but we recognize the importance of doctrine. The Bible teaches that doctrine must be sound; it must be pure; it must be Scriptural; and it must be obeyed. It is important for every believer to have a firm grounding in basic fundamental doctrines found in Scripture. We at Pacific Life Bible College offer the following statements as a summary:

1. THE HOLY SCRIPTURES: We believe in the plenary and verbal inspiration of the accepted canon of sacred Scripture as originally given. The Bible is the primary functional authority for every aspect of Christian life.

2. THE ETERNAL GODHEAD: We believe in the Eternal Godhead, Who has revealed Himself as one God, existing in three Persons: the Father, the Son and the Holy Spirit; distinguishable but indivisible.

3. THE FALL OF MAN: We believe in the Creation, Test, and Fall of man, as recorded in Genesis; his total spiritual depravity and inability to attain to divine righteousness.

4. THE DEITY OF CHRIST: We believe the only Savior of men is the Lord Jesus Christ. Conceived of the Holy Spirit and born of the virgin Mary, He is fully God and fully man.

5. THE DEATH AND RESURRECTION OF CHRIST: We believe that Christ died for our sins, was buried, and rose again the third day; and that He personally appeared to His disciples.

6. THE ASCENSION AND SECOND COMING OF CHRIST: We believe in the bodily Ascension of Jesus to Heaven; His exaltation; and His personal, literal and bodily Second Coming for the church.

7. SALVATION BY GRACE: We believe in the salvation of sinners by Grace, through repentance and faith in Jesus' perfect and sufficient work on the Cross of Calvary, by which we obtain remission of sins.

8. WATER BAPTISM: We believe that water baptism by immersion in the name of the Father, Son and Holy Spirit is an essential response to Jesus' command and testifies to His lordship as Christ and King.

9. THE BAPTISM OF THE HOLY SPIRIT: We believe that the baptism of the Holy Spirit empowers believers to exalt Jesus, to live lives of holiness, and to be witnesses of God's saving grace.

10. THE GIFTS AND FRUIT OF THE HOLY SPIRIT: We believe that the Holy Spirit gives gifts to believers, and these will build up the Body of Christ (His Church). As evidence of a spirit-filled life, believers show spiritual "fruit" as a result: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

11. THE SPIRIT-FILLED LIFE: We believe in a Spirit-filled life of separation from the world and perfecting holiness in the fear of God, as an expression of Christian faith.

12. DIVINE HEALING: We believe in the healing of the body by divine Power, as practiced by the Early Church.

13. THE LORD'S SUPPER: We believe in the Table of the Lord, commonly called Communion or the Lord's Supper, for believers.

14. A LITERAL HEAVEN AND HELL: We believe in eternal life for the believer, and eternal punishment of the unbeliever.

15. THE JUDGEMENT OF SATAN: We believe in the reality and personality of Satan, and in the eternal judgment of Satan and his angels.

*In Essentials - Unity  
In Non-essentials - Liberty  
In All Things Charity*

# Admission Requirements

## Acceptance Criteria

A successful applicant to PLBC must be a born-again Christian, give evidence of a consistent Christian life, and be actively involved in a local church fellowship for at least the full year preceding application.

## Canadian/US Students

Graduation from high school on the academic program, or successful completion of the B.C. General Educational Development certificate program at the Grade 12 level, or the equivalent from another province/state, is required to enter the baccalaureate programs.

## International Students

In order to be reasonably confident of success at the level of academic work expected at PLBC, you should be able to achieve a score of at least 550 (paperbased); 213 (computer-based); or 79 (internet-based) on the Test of English as a Foreign Language (TOEFL #9016). In addition, you will need transcripts showing educational attainment recognized as equal to B.C. high school, such as a General Certificate of Education (U.K. and Commonwealth), University of Hong Kong Matriculation Certificate, International Baccalaureate, or similar evidence of academic preparation.

Contact: EDUCATIONAL TESTING SERVICE  
BOX 899  
PRINCETON, NJ  
U.S.A. 08541  
WWW.ETS.ORG/TOEFL

All foreign students will need to obtain a student visa to attend Pacific Life. The procedures require considerable time and should begin well in advance of the de-

sired enrollment date. For more information, contact Canada Immigration on the web : [www.cic.gc.ca](http://www.cic.gc.ca).

Foreign students must be able to provide evidence of sufficient funds to cover the first year of studies and a return air ticket.

## Home School Students

PLBC welcomes applicants from graduates of home-based schools and from other un-accredited and/or nontraditional secondary education programs. Each candidate who is unable to present provincially/state examined matriculation is evaluated personally in order to gauge their readiness for college-level studies. Home-schooled students should consider providing us with SAT or ACT scores or GED marks. They should also provide an educational background chart to serve as a transcript.

## Medical Coverage

All students are responsible for ensuring that they are adequately covered by medical insurance. After two months residence in B.C., students are eligible for B.C. Medical Insurance coverage at very modest rates. PLBC will provide details on request.

## Transfer Students

Students from other post-secondary institutions must arrange with the Registrar of that institution to forward a transcript directly to the Registrar of Pacific Life Bible College. Each credit is evaluated on the basis of parallel courses, course requirements, grades received and academic standing of the institution. After the evaluation and acceptance of transferred credits, an enrollment counselor will help you arrange the

most advantageous course schedule and timetable for completion.

# Financial Policies

## Room & Board

All single students under 21 are required to live on campus. Special exception is made for local students living with their parents.

A Damage/Reservation deposit is required to reserve a room, which also serves as a damage deposit (\$50 nonrefundable).

Room and board fees are based on students satisfactorily completing three hours of work assignments each week the cafeteria is open. Students that do not complete their work assignments successfully will be billed for the replacement amount and may be suspended from studies.

## Payment

Tuition, books, and fees are due at registration. PLBC accepts cash, cheques, money orders, VISA, and Mastercard.

Students with an unpaid balance will not be allowed to write their final exams, participate in LifeLaunch or Tour, or re-enroll in a new semester. All balances must be paid before marks, transcripts, certificates, diplomas or degrees can be issued.

## Refund Policy

Upon filing an Intent To Withdraw on the Course Add/Drop form with the Registrar's office, registered students may, where circumstances warrant, apply for refunds of the unused portion of tuition, fees and room and board on a pro-rated weekly basis. Students desiring to move out of residence for any reason must give four weeks notice or pay a four week fee. Students who have paid in advance will be

reimbursed on this basis. A refund will be granted for tuition and additional fees to students unable to complete a semester, based upon calendar days and the following scale:

**Tuition & Fees:** During the first week of the semester, full refund of tuition and fee charges will be made (less application fee). During the next calendar week of classes, 90% refund will be made, with further refunds decreasing by intervals of 10% per week and no refund after the sixth week. Calculation of the refund depends upon the date of receipt of the withdrawal form in the registrar's office.

**Application & Event Fees:** All application and event fees are non-refundable.

**Textbooks & Coursepacks:** A 15% restocking fee is charged on all books purchased when returned one week after purchase date. Returned books and course packs must be in brand new condition.

# Academic Policies

## Transcript of Record

Requests for transcripts must be made in writing or email (from your email on record). Pacific Life Bible College reserves the right to refuse to issue a transcript of the record of any student who has not fulfilled all financial obligations due Pacific Life Bible College. A financial hold will also be placed on a student record if the student is either delinquent or has defaulted on loans. Requests must be made in writing or by coming to the Registrar's Office in person. Facsimile requests are also accepted. No telephone requests will be honored.

## Enrollment Status / Course Loads

All full-time undergraduate students are expected to complete at least 12 credits each semester. All international students are required to complete at least 9 credits each Fall and Spring semester.

## Course Registration

All students are required to receive their program's Program Advisor approval before registering for courses each semester.

## Change of Address

Students are required to notify the Registrar of any change of home or local address, parent or guardian, or any change of legal name. When a student's legal name is changed, a certified copy of the relevant documents must be submitted to the Registrar. Changes of address must be submitted to the Registrar within 48 hours of the effective date of the change.

## Add/Drop of Change of Course

Students may add, drop, or change courses by completing the appropriate form (avail-

able at the office). Please refer to the Academic Calendar for add and drop dates. All course changes (including adding and dropping) must be approved by the student's Program Advisor.

## Class Hours

Please see the current Course Schedule (available at the office and online) to see course scheduling.

## Attendance

Students are expected to be present, prepared and on time for all classes. Instructors will mark attendance for each class. Unexcused absences and tardiness may result in lowering the final grade. Total absences in excess of 25% of classes may result in the student being asked to withdraw from the class with a fail. Students are expected to schedule all other appointments outside class hours. If at any time during the semester, you are absent or late for a class, you are required to check with the instructor before the next class period to see what assignments and/or tests you may have missed, as you are responsible for all assignments.

## Assignments

All assignments expected for each course are listed in the course outlines (syllabi). Make sure that you understand the nature of the assignment so that time is not wasted or misdirected. Students are expected to budget their time, and complete their assignment by their prescribed deadline. No assignments will be accepted after the final class day before final exams (unless official approval is received through the Assignment Extension Request form).

## Populi

PLBC uses an online communication and course management system called Populi. Students are required to use Populi as directed by staff and faculty.

## Equity of Access

The college will strive to accommodate students with documented learning disabilities who need additional academic support. The student needs to advocate for themselves in order to communicate the need and secure the available aid. The student should make an appointment with the instructor as soon as possible to discuss the accommodation process. The student should also contact Dennis Hixson as soon as possible to learn of a variety of possible support resources. Students without documented disabilities who feel they may have difficulty with a course are also encouraged to make an appointment with the instructor to discuss what steps can be taken to be successful.

Information on learning disabilities will be kept in confidence and only shared between the student, the instructor and those administration members necessary to aid the student.

## Grading

The College's academic scoring is based on the grade-point system, with letter grades being translated to a numerical value.

97-100% = A+ (4.3)

93- 96% = A (4.0)

90- 92% = A- (3.7)

87- 89% = B+ (3.3)

83- 86% = B (3.0)

## Academic Policies Continued

80- 82% = B- (2.7)

77- 79% = C+ (2.3)

73- 76% = C (2.0)

70- 72% = C- (1.7)

67- 69% = D+ (1.3)

63- 66% = D (1.0)

60- 62% = D- (0.7)

0- 59% = F (0.0)

P = Pass, not calculated in Grade Point Average. F = 0 A failed course may be attempted again. When repeated, F remains on transcript but does not effect GPA and is denoted by an "R". I = 0 An Incomplete receives no credit. In extenuating circumstances beyond the student's control, arrangements may be made to complete missing work within one month. If the work is not made up the I is changed to an F. W = 0 A withdrawal receives no credit and is not calculated in the GPA. A student may withdraw after beginning a course only in the case of extenuating circumstances and only with the Academic Dean's approval. A grade of W remains on the academic record unless the student replaces it by attempting the same course again. WF = Withdrew Failing; WP = Withdrew Passing; TC = Transfer; IP = In Progress; I = Incomplete; DR = Drop Course; AUD = Audit; \* = Exam Sent

### Academic Probation

When a student's GPA drops below 2.0 that student is placed on academic probation. There are three levels of academic probation:

Level 1 – This is when a student's GPA drops lower than 2.0 for a particular term. The student will receive a letter of warn-

ing and they must achieve a GPA of 2.0 or higher for the next semester. Once their cumulative GPA is above 2.0 they will be removed from level 1 academic probation.

Level 2 – This is when a student's GPA is lower than 2.0 for a second term in a row. This student will be allowed to attend the next semester but will be limited to taking nine credits. If the student's term GPA rises above 2.0, but their cumulative GPA remains below 2.0, they will be moved to level 1. If the cumulative GPA rises above 2.0, they will be removed from academic probation.

Level 3 – When a student on Level 2 probation does not achieve a GPA of 2.0 or higher, this student will be suspended from Pacific Life Bible College for one academic year and will have to reapply. Upon approval of reapplication the student will be admitted under the restrictions of level 2 probation.

If a student demonstrates a significant lack of academic ability and/or motivation in their first term at PLBC (resulting in a GPA below 0.5) they may be moved directly to level 2 after the first term at the discretion of the Academic Executive Committee. If a student earns a GPA below 0.5 for any two consecutive terms, they may be moved to level 3 at the discretion of the Academic Executive Committee.

The intent of this policy, and the manner in which it will be administered, is to help each student succeed to the best of their ability while pursuing high standards in academics.

### Honour Roll

At the conclusion of each grading period, the College posts an honour roll. Its purpose is to recognize and encourage scholastic achievement. To qualify, a student must pursue a study load of at least 12 units per semester and earn a grade-point average in the following range: Honours = 3.30-3.59; High Honours = 3.60-3.89; Highest Honours = 3.90 and above.

### Graduation Requirements

All students must meet the standards of Christian character and conduct, fulfil all practicum requirements, and complete their academic program with a GPA of 2.0 or greater. All financial commitments must be paid in full prior to graduation.

### Graduation Honours

Students are selected for graduation honours according to their individual merit based on the following: 1) Excellent Christian character in attitude and spirit; 2) At least 64 units of study at Pacific Life Bible College; and 3) A cumulative GPA for courses taken at PLBC according to the Honours table.

### Course Extensions

Instructors are able to grant students an informal extension of one week after the PLBC assignment deadline date. If more time is required, the student must apply and pay for the formal extension (maximum extension of one month from the school assignment deadline date at the end of the term). The formal request for an extension must be made before the end of the semester. Valid reasons for extensions consist of issues such as a death in the fam-

## Academic Policies Continued

ily, a family emergency, personal illness, chronic health issue, or a learning disability. The instructor has the right to deny any extension request. When an extension is approved the final course grade will be set to "I" (Incomplete) and after the one month extension has expired, a grade is assigned to the student based on the course work received to date. A fee of \$15 per credit hour is charged for course extensions.

### Challenging a Course

Students wishing to challenge a course may do so before the term in which the course is offered, or they may challenge after the start of the term if they have registered for the course. If registered for the course, the student must apply to challenge the course before the second week or session of the class. Application is made by completing an "Application to Challenge a Course" form and paying an additional \$25 per credit non-refundable challenge fee. The course instructor and academic dean will make a decision regarding the challenge application before the next class (third week/session). The student is required to complete an exam and/or interview to demonstrate that they have the equivalent of the content in the course being challenged. Students must achieve a minimum of a "C" to successfully challenge a course for credit. A maximum of 12 credits can be challenged for all 4 year programs and 6 credits for 2 year programs. Students are not eligible to challenge a course if they have failed or audited a previous offering of the course. Credits awarded by the challenge for credit process will be recorded on the student's transcript with the appropriate

designation as recommended by the office of the Registrar. No percentage grade will be awarded in a challenge credit and will therefore not affect a student's GPA. A course may be challenged only once. Departments are not required to offer challenge examinations in all courses.

Credits successfully challenged will be awarded at normal tuition price in addition to the course challenge fee. Credits are only applied when the student is up to date on all financial obligations. The College reserves the right to not allow certain courses to be challenged.

### Matriculating Credits

Students entering PLBC with certain life experience or previous training from institutions not recognized by PLBC may apply to matriculate their experience and training. Students who are 24 years of age or more and have the equivalent of five years of full time ministry experience are eligible to apply for Credit for Prior Learning. Credit for the units earned will be applied to the transcript after the portfolio has been reviewed by a faculty committee and approved for credit. There is a \$75 per credit fee for all credits attempted to cover evaluation costs. Students that have received training from unrecognized institutions can challenge a course (see PLBC's "Challenging a Course" policies).

### Transferring Credits

Students may transfer up to 96 Academic Credit Hours from PLBC recognized institutions to complete their BA at PLBC. That means that at least the final 32 hours must be taken at PLBC to qualify for graduation

(up to 32 hours for a diploma). Credit transfer from other post secondary institutions (such as community colleges, universities, and technical schools) or non-accredited programs (YWAM, Capenwray, etc.) can be applied for, and will be decided by way of individual transcript evaluation.

### Academic Freedom

Pacific Life Bible College is confessional, and like any such confessional body—Roman Catholic, Orthodox, Protestant, etc.—its institutional mission and purposes are formed within the framework of its religious confession. All candidates for faculty or administrative positions at Pacific Life Bible College are fully informed of its confessional stance and voluntarily enter the community as those who fully share the confession of faith. Students enrolling are also fully aware of the same confessional stance. We strongly believe in the right of others to hold differing beliefs and to express these with freedom in the public forum. We are committed to the free exercise, expression, and promotion in public of all religious positions and believe that people should be free to espouse a religion according to conscience and persuasion. We believe, therefore, that a plurality of views and the free expression of those is appropriate in public institutions, including public educational institutions. We deeply appreciate the opportunity to operate a private, confessional institution within a pluralistic context. We believe the individual has the same right to change their views or position in such a private confessional context, but should resign his or her post if that change violates the common confession of faith. Such resigna-

## Academic Policies Continued

tions should be accepted with due respect for the right of the individual to decide for himself or herself in matters of faith and conscience. In summation, Pacific Life Bible College promotes breadth and depth in the presentation of viewpoints and encourages a climate of openness and freedom for the discussion of truth, operating within the limits of its confessional stance. Faculty members are encouraged to present a wide range of viewpoints and to commend their own views to their students. Material representing divergent views is available to students in the library and through textbooks, and students are encouraged to examine various views in the process of freely forming their own.

Pacific Life Bible College endorses the pursuit of truth in research, study, and communication by its faculty and students. In their pursuit and dissemination of truth, faculty members are expected to offer fair presentations of competing viewpoints. A quality education requires that students be introduced to a wide range of available material pertinent to their fields of study. Faculty members are expected to encourage students in their honest inquiry and evaluation of ideas. Dogmatic or simplistic answers to complex questions are discouraged. Faculty members shall enjoy the freedom to discuss subjects in which they have competence without interference both in the classroom and on the campus.

Academic freedom is the freedom of professionally qualified persons to inquire, teach, present, and publish the truth as they see it within their field of competence without extrinsic compulsion or control.

In our context, limitations to this freedom may arise either from a community of qualified scholars or in the interests of a voluntarily chosen confessional statement.

### **Campus Closure**

In the event of deteriorating weather conditions overnight or other emergency situations, every effort will be made to communicate information regarding the cancellation of classes on Populi and your [pacificlifeca](mailto:pacificlifeca) email account. The first announcement regarding a closure will cover the period up to 1:00 p.m. only. If classes are to be cancelled beyond 1:00 p.m., this decision will be announced by the same means before 11:00 a.m. that day. Students and faculty should assume that all night classes will continue to operate. If the emergency continues into the evening, students and faculty may check for a closure notice on Populi and your [pacificlifeca](mailto:pacificlifeca) email account after 3:00 p.m. that day.

### **Examinations**

As exams are an important part of learning and the assessment of learning, all students must write examinations when scheduled (usually at midterm and finals). In case exams during the term need to be missed due to illness or an emergency situation, the instructor must be notified prior to the exam. If not, the student forfeits at least 10% of the exam grade. Arrangements for rewriting must be made with the instructor (who is free to refuse if sufficient reason is not given).

Normally students are not permitted to take a final examination other than the scheduled time. If an exception to this

policy is legitimately needed for extenuating circumstances, special permission must be granted by the Registrar's office to write the exam(s) prior to or following the scheduled time.

Any changes in final exam schedules must be made at least two weeks in advance of Exam Week in consultation with the Registrar's office. Requests for changes must be made on the "Exam Reschedule Request" forms (available from the Receptionist or Populi) and approved by the Registrar's office and the instructor of the course(s) involved. Rescheduling fees are \$20 per exam to change to a different time during exam week and \$40 per exam to change to a time prior to or following exam week. The rescheduling fee may be waived in cases of extreme, unforeseen circumstances beyond the student's control.

### **Length and Terms of Degrees**

PLBC reserves the right to change, substitute, or cancel any program of study without notice. Students in a Certificate, Diploma, BA/BTh program have a maximum of seven years from their acceptance date into a degree program to complete their degree. If a student is unable to complete the degree in that time, a request for an extension must be made to the Academic Executive Committee. If a program is discontinued or otherwise significantly revised, continuing students will be informed of this change, and given the option either to switch to a program on the current PLBC curriculum or to complete the balance of their previously enrolled program within three years. A student taking longer than 5 years to complete a degree may have to

## Academic Policies Continued

complete their program under the requirements of a more recent catalogue year. Students who have not taken classes for two full years (24 months) must reapply to PLBC. Upon acceptance, they will come in under the new academic catalogue. Any previous courses that fit their new program can be applied toward the requirements of that program.

### Plagiarism and Academic Dishonesty

As character development is a major part of the PLBC mission, and in order to prepare students to be effective disciples and ministers, plagiarism and other forms of academic dishonesty are not tolerated. All work submitted as part of any class exercise should be the actual work of the student claiming credit for the assignment. Plagiarism is defined as “the act of taking the words, ideas, or research of another person and putting them forward without citation as if they were your own.” [Rampolla, Mary Lynn. *A Pocket Guide to Writing in History* (Fifth Edition). (Boston, MA: Bedford/St. Martins, 2007), 88]

Some activities that constitute plagiarism are the following:

- Failure to cite the source of a quote or idea
- Submitting the work of another person

Some activities that are NOT plagiarism are the following:

- Stating a fact that is common knowledge
- Having someone proofread an assignment that you have written
- Discussing the material with others

before writing an assignment (unless forbidden by the instructor)

Other forms of academic dishonesty include cheating on exams and quizzes, unauthorized work sharing, tampering with resources and any misrepresentation or falsification of academic work done by the student. The willful aiding of another student in any of these forms of dishonesty is also not tolerated.

Some activities that constitute academic dishonesty are the following:

- Copying the work of another student
- Using notes or other aids during an exam without permission
- Falsifying data, research and/or references

Some activities that are acceptable are as follows:

- Collaboration in the research process with other students, where allowed by the instructor (the writing of the assignment must be the work of each individual student)
- Group projects where assigned by the instructor (the writing of the assignment must be the work of each individual student unless clearly communicated otherwise by the instructor)

Plagiarism and Academic Dishonesty are not only against PLBC policy, but are sins against God and damaging to the character and ministry of the student who commits them. All forms of academic dishonesty are both theft and fraud, stealing the work of others and claiming it to

be one's own. However, students primarily rob themselves both of the learning that would have taken place and the integrity that was sacrificed.

Plagiarism and academic dishonesty will result in the following actions being taken:

1. The student will be caught. Even if the instructor does not notice the dishonesty, God sees all and will hold the guilty party to account.
2. If a first offense is determined to be inadvertent, the student will be strongly warned and clearly instructed on why the behavior is unacceptable and how to complete the work without making the same mistake. The instructor will inform the Academic Dean of the nature of the infraction and any discussions and/or actions that have taken place. The Academic Dean will meet with the student regarding the infraction.
3. If a first offense is determined to be willful, or if a warning has already been given, the student will be given a zero for the exam or assignment. The instructor will inform the Academic Dean of the nature of the infraction. The Academic Dean will meet with the student regarding the infraction.
4. If any further offense occurs, the student will automatically be put on level 3 of academic probation, which entails a one year suspension. At the end of the one year suspension, the student may reapply for admission to the college.

# Tuition & Fee Schedule

## **Tuition**

Tuition (per credit hour) .....	\$155.00
Audit Tuition (per credit hour).....	\$77.50
Seniors Tuition (per credit hour; minimum age of 65).....	\$77.50

## **Admission Fees**

# Board, Staff, and Faculty

## Board of Governors

The Board of Governors are educators, pastors, and business persons who qualify as college overseers under the requirements of PLBC's Constitution and Bylaws. They meet together 3-5 times each year to ensure the administration of the college upholds these policies and procedures and maintains an excellent reputation for financial integrity. Every year their AGM report is given to the convention body of the Foursquare Gospel Church of Canada. Current Governors: Rhonda Berkhiem, Rob Buzza (Chairman), Jerry Cook, Gord Demchuk, Ken Gaglardi, Corey Klassen, Alex Palmer, Steve Witmer, and Joanne Wolf.

## Staff

PLBC Staff are responsible for the day-to-day operations. Current Staff: Rob Buzza

(President), Dennis Hixson (Vice-President), Brad Copp (Academic Dean), Linda Coult (Registrar), Clint Nelson (Director of Student Life & YMI), Linda Warriner (Bookkeeper), Les Warriner (Director of Distance Education), Kerry Pretty (Director of Library Services), Mark Pruger (Director of Food Services), Ivone Juell (Director of DPC), Darlene Ketchum (Director of IMM), Lincoln Tatem (IMM Faculty), Sam Romijn (Enrolment Counselor), and Sheldon & Tina Friesen (Resident Managers)

## Faculty

The majority of PLBC's faculty are part-time adjunct members. Current Faculty: Carolyn Arends, Lisa Arrington, Gerry Bock, Daniel Brown, Dan Bue, Rob Buzza, Rick Calhoun, Jerry Cook, Brad Copp, Rafik Daudjee, Peter Davyduck, Doug Dunbar, Ken Dyck, Fred

Eaton, Kevin Eng, Craig Erickson, Steve Falkiner, Danny Ferguson, Doug Friesen, Rebecca Friesen, Steve Frost, Tom Gardner, Brent Gibson, Mark Hildebrand, Dennis Hixson, Ivone Juell, Thanos Karasmanis, Darlene Ketchum, Clint Nelson, Marv Penner, Dairn Peters, Brian Pierson, Kerry Pretty, Daphne Rademaker, Ivana Redmond, Duffy Robins, Russ Rosen, Sandy Rosen, Jason Schroeder, Noel Sterne, Brian Stewart, Geoff Stewart, Tim Stewart, Lincoln Tatem, Gerry Teichrob, Stephen Toon, Nolan Trombley, Les Warriner, Kenton Wiens, and Brett Ziegler.

# Distance Education

Distance Education has been a long standing priority in the decentralization philosophy of Pacific Life Bible College. We realize that many people cannot leave the responsibilities of home, family and work. As a result, we bring the college to you through progressive courses and resources that are not only academic, but relevant to your ministry.

## **Independent Studies**

Studying through personal correspondence. Independent Studies may be taken on an individual basis in the comfort of your own home. The courses are offered as one, two, or three credit courses which may be applied to a certificate, diploma, Bachelor of Arts or Bachelor of Theology degree. Courses consist of a course manual, textbook(s), and for some courses, video lectures. DVD's may be purchased or rented. Course manuals are geared to helping the student consider the material presented. Exams and/or college level papers are required for most courses.

The first step to applying for Independent Studies is to complete an Application for Admission and send it to PLBC with the application fee and college or high school transcripts. Once we have processed your application and received the Pastor's Reference and Personal Reference forms, we will then inform you of your acceptance by letter.

## **Certificate, Diploma, or Degree**

Students may work toward either a 32 credit Personalized Study Certificate, 64 credit Associate of Theology Diploma, or 128 credit Bachelor of Theology, Bachelor

of Arts Degree in Pastoral Leadership or Church Ministries. Transfers are accepted from approved institutions.

The Personalized Study Certificate is granted for 32 credit hours of study in which you choose your own courses.

The Diploma and Degree course requirements differ from those in the College catalogue because of course availability and program of study. A list of required courses is outlined in the PLBC Distance Education catalogue.

## **Accelerated Programs**

Distance Education offers two accelerated programs for obtaining a Bachelor of Theology degree: Leader's Track and Degree Upgrade. Students accepted into the accelerated programs must complete at least one course per year and must maintain a G.P.A. of 2.5. If the G.P.A. drops below this standard, students will be placed on academic probation for one calendar year to bring the G.P.A. up to acceptance level. Courses may be taken on campus at Pacific Life or through Distance Education.

# History of Pacific Life Bible College

Two long-standing colleges in BC's Lower Mainland, Pacific Bible College and LIFE Bible College of Canada, have come together to form Pacific Life Bible College.

**Pacific Bible College:** Pacific Bible College grew out of an inner-city ministry of Open Bible Chapel in Vancouver. They saw a need for young men and women to be established in lifestyles based upon God's Word. The first classes began in October, 1972, with 35 students and seven teachers, with a church basement used as classrooms, and old houses as dormitories.

When the Vancouver facilities of the College were expropriated in 1978, after much prayer and deliberation, Pacific Bible College joined with Bible Fellowship Missionary Society in Surrey. In 1979, they purchased the Surrey facilities of Vancouver Bible College. Pacific became known for its campus environment and programming options for young people, such as LifeLaunch.

**LIFE Bible College of Canada:** Since its founding in 1928 in the heart of Vancouver, LIFE Canada has been developing ministers and leaders primarily for Foursquare Churches in Canada. The College operated out of various church basements and facilities of their own in Vancouver, Surrey and Burnaby.

Lacking the space for student dormitories, LIFE decentralized its programs of study through a global network of affiliated church institutes, known as LIFEline. Other innovations, including ISC, Leader's Track and Degree Upgrade, provided appeal-

ing options for mature students who were unable to uproot and move to a campus. But the need for a campus residence and program suited to young adults became a driving goal for LIFE Canada heading into the new millennium.

**Pacific Life Bible College:** In 1997, these two colleges, with a common purpose and complementary strengths, joined forces. Together we provide a strong central campus in Surrey with extension programs that reach around the world. We are an interdenominational college affiliated with a denominational network of ministry opportunities.

"In one spirit, with one mind striving together for the faith of the gospel." Philip-
