We are looking for a creative, community-minded person to bring strong leadership and administrative oversight to our growing children & youth ministries. The successful candidate will work in collaboration with our pastor and leadership team to implement our vision to “**form ecosystems of learning and spiritual growth**”. The position will coordinate all curriculum and programming needs related to the faith formation of children and youth.

If you love Christ, love the church and love seeing people of all ages and backgrounds grow in faith; please prayerfully consider joining our church as the **Director of Children & Youth Ministry**. Bring your ideas, passions, gifts and talents to our community and help us grow.

Areas of Responsibilities

The Director of Children & Youth Ministry will provide leadership, guidance and oversight to all our Tap Kids and Tap Youth programs and initiatives with the goal of providing age-appropriate programming that encourages faith formation and Christ-centered discipleship in our children from birth to 17 years.

One key area of responsibility is recruiting, training, mentoring and discipling volunteers throughout the year as well as applying for the Canada Summer Jobs Program and managing the summer interns that are hired.

Working with a team of **Tap Kids** volunteers, the successful candidate will plan and coordinate weekly ministry (i.e. Sunday School, children’s sermons), special presentations (i.e. Christmas, Easter) and seasonal programs (i.e. Summer Day Camps, Vacation Bible School) so that children grow in their knowledge and love of God and parents are equipped to teach their children the way of Jesus.
